Article Body:
Stutter or stuttering can have a dramatic effect on somebody's confidence.

Fluent people really can not comprehend how hard it is to live your life with a speech impediment.

I run one to one speech courses in Birmingham and one of my clients once told me about a situation.

He returned to his friends who asked him where his drink was. He told them what had happened,

This is a typical situation people who have a stutter find themselves in.

Stuttering can affect many aspects of a person's life including:

confidence

friendships

careers

relationships

school

Now that I have overcome a stutter it is like a weight has been lifted from my shoulders and I
