'The human heart feels things the eyes cannot see,

and knows what the mind cannot understand.' -Robert Vallett

If you've met someone who's changed you forever

If you love someone so much you realize you just weren't alive before them

If you've met someone who's awakened you to the unbelievable beauty of existence

If you've met someone who is more you than even you are

If you miss someone so much you can't even conceive of existing without them

If you've lost someone and it feels like your soul left with them then read on

Typical of many cases I deal with is the story of Fiona and Robert.
