You will want to share something with someone today.

Actually, with at least two people.

One person that you know very well.

And one person that you do not know well at all, and also needs to hear from you today.

The one you know well needs to hear from you right now.

The one you do not know at all will become evident to you when you meet them today for the fir

By sharing this message with both of them, you will also receive the message - which is exactl

The message is one of HOPE.

Hope is the feeling that what you want to happen... will happen.

It's what keeps us going when we feel overwhelmed with problems, frustrations, and situations

And I am sharing HOPE with you right now.

HOPE that what you want to happen... will happen.

It's kind of like shining a flashlight on a dark and unknown path so you can more easily see t

It's like opening the door that seems too heavy for you to open it alone.

It's like giving a word of encouragement to someone who is having trouble solving a problem an

Right now, call that someone you know and give them HOPE.

And throughout your day today, be on the lookout for that someone you don't know, who needs HO

By shining a light of HOPE on their path, you will shine the light of HOPE on your own journey
