Article Body:

You've probably heard the phrase, "Idle hands are the devil's tools" -- meaning if you don't h

However, the concept itself does hold some truth regarding what we create in our lives. If it'

Every action has a consequence, either good or bad. Remember the concept, "like attracts like.

Does that mean that as long as we keep busy, we'll have lots of prosperity and joy? Not necess

Conscious creation means thinking about what you want to do with your time, moment to moment.

Some of us live our lives on autopilot. It's not that we don't want to do anything, we just do

Keep in mind this is a cumulative process and it takes time to fully transform your circumstan
