

Title:

What Is the Leonardo Trait? Creativity in Action

Word Count:

257

Summary:

Is there a gene for creativity? Maybe not, but I think there's a trait - the Leonardo Trait

Keywords:

creativity, self-help, self help, self improvement, self-improvement, Angie Dixon, Leonardo Trait

Article Body:

I recently began thinking about why I'm like this. Trust me, if you know me, you'd understand

I have two speeds. One is stop, one is go.

I can't work on one project, I have to have five.

Of the twelve projects I have open, I'll only finish seven.

I don't know which seven it will be, so I have to work on all twelve until I figure it out.

I can't settle on one thing I want to do. Right now I'm learning to podcast, walking in charity

My favorite person in history, after Amelia Earheart, is Leonardo da Vinci. Amelia Earheart is

I like to think that if Leonardo were alive today, people would be calling him "weird," encour

You know? Wouldn't that be fun?

Well, of course it's not going to happen, but what can happen is that you and I can recognize

Give yourself a break, Leonardo.
