Charity Commits \$1M to Help Tsunami Survivors in Long Term

Article Body:

Heifer International, an organization working to end world hunger, has committed \$1 million for

"After the important relief efforts ensure the victims' immediate survival, Heifer International

Over the next few years, Heifer's Indonesia staffers and partner organizations will work together

For more than 60 years, Heifer International has worked with small farming communities to end

First, Heifer helps a community group analyze its situation. It asks: What do you need? What are

Farmers then prepare for their animals' arrival by participating in training sessions, building

All families that receive assistance from Heifer promise to repay their "living loans" by donating

Heifer's approach is to end hunger and poverty one family and one animal at a time. Its work is
