Article Body:

One of the oldest adages known to mankind is from both the Golden Rule and the Christian Bible

In today's society, those sentiments all too often get shoved aside to pave the way for person

However, humanity hasn't really changed that much: A person's most basic, primal instinct is s

This is certainly understandable; we are inherently "wired" to hang on, to keep on going, to t

Euphemisms aside, here's a secret, and it's very, very simple: When you show appreciation for

Why? Here's another easy answer: Our second most basic instinct is simply this: to help others

Sure, the world's a mess -- depending on how you look at it. Perspective changes everything, a  
well-being.

When's the last time you visited a elderly person? Remember, if we're lucky, we're all going t

Or when you drop a dollar in the blind man's tin bucket as he plays guitar on the street, don'

Those moments are precious to our very spirit, because they fulfill part of our reason to be h

Giving can be one of the most rewarding experiences in life. Volunteering has a positive effec

One last hint: Don't assume that what would be rewarding to you is going to automatically be r
