Criminal Record - Stigma For Life

Word Count:

575

Summary:

A look at the difficult life an ex-convict or someone with a criminal record faces, from getting

Keywords:

criminal record

Article Body:

If you've ever been convicted of a crime, no matter how small, you know the stigma that you carry.

Probably the area where a criminal record has the most impact is in applying for and getting a job.

If you look at any typical job application there is almost always a section that asks if you've

Gaining employment isn't the only place where an ex-convict has problems. There is the social

In the same situation, hardened criminals who have been serving a long sentence and are just now

There is an old saying that goes, "Once a con always a con". While this isn't always true, unfortunately

Yes, unfortunately as much as we like to think of ourselves as a forgiving species, having a criminal
