Helping Homeless Youths Rebuild Their Lives

Article Body:

You can make a difference in millions of fragile young lives.

Every night on streets throughout the Americas, an army of nameless, faceless young people fight

There are approximately 3.5 million people who experience homelessness every year and 12 percent

The complications of life on the street cause many of these young people to lose hope, making

Covenant House is the largest, privately funded child welfare agency in the Americas. Since its

&#8226; health care;

&#8226; educational programs and vocational preparation;

&#8226; drug abuse treatment and prevention programs;

&#8226; mother/child programs;

&#8226; transitional living programs; and more.

The Covenant House Nineline -(800) 999-9999 or Nineline.org- operates 24 hours a day, seven days

For more than 30 years, Covenant House has been restoring hope and providing a loving and respectful
