

Title:

Love - Begin With Vigor After Failure

Word Count:

303

Summary:

Defeat in love is very disheartening. You love some body dearly and he/she does not reciprocate

Keywords:

Article Body:

Defeat in love is very disheartening. You love some body dearly and he/she does not reciprocate

Success is not our right, nor failure our destiny. Life is a hurdle race. Every life has its ups and downs.

What should be done? Analyze why this failure happened/ if you find any fault of your own, please accept it.

Thinking of past failure will only bring more pain. Visualize yourself becoming successful. That is the only way to move forward.
