It is said that prostitution is the oldest profession in the world. To prostitute means to give

I want to talk about a marriage where a woman sold her body for money and also few other things

Our heroine was married to the man/villain in full public view, so she had no reason to deny t

Let me elaborate further. What did she get in return of giving away her body? Her parents had

There are many more things, all totally wrong that our heroine of the story got for selling her

What else? This man/villain said that he had no one else except our heroine in the world to ca

Let me list one more gain, though there were many more. Our heroine had no strength of charact

Who is a better person? A prostitute who openly trades or our heroine? Make your own decision.
