The Halloween Age Debate

Word Count:

508

Summary:

Each year, those handing out candy are seeing older and older kids come knocking on their door

Keywords:

Halloween Costumes, Halloween costume, Costumes

Article Body:

Each year, those handing out candy are seeing older and older kids come knocking on their door

The age debate

Seeing preschool and elementary-aged kids on Halloween is often a cute sight. They are dressed

Some parents may argue that there is no problem with this and the teens are merely having fun.

All in all, Halloween is a time for fun, costumes and lasting memories. If you warn them of th

Choosing alternatives

Should you rather, alternatives to trick-or-treating do exist!

Does your child still want to dress up? Have him or her dress up and be in charge of handing o

Or, how about hosting your own Halloween party for your teen and his or her friends? They can

While there is not an age limit on trick-or-treating, alternatives do exist and they allow Hal
