

Title:

The Hurricane Katrina survivors will be victims again... GUARANTEED!

Word Count:

571

Summary:

This time it will be our own governments mostly that will do the victimizing but some business

Keywords:

hurricane katrina, unclaimed funds, unclaimed money, victims, victimizing, victimizer, governm

Article Body:

This time it will be our own governments mostly that will do the victimizing but some business

During these times there is a very very large portion of those who lose their home and importa

The sad part is that these are people who are victims already, and they are also prime targets
