

Title:

The Tale That Dogs the WAG

Word Count:

742

Summary:

As the England football team once again return home under a cloud, the tabloid press is doing

Keywords:

football, wives, sport, girlfriends, media, tabloid, dating, relationships

Article Body:

Glancing through the red-tops on certain days over the past few weeks, one could be forgiven for

Certainly this does not constitute any great departure from form on the part of either the tabloid

Tabloid journalists, by their very nature, are risky bedfellows who specialise in biting the hand

Of course, now that England have returned in ignominious circumstances it's not just Abi Clooney
