Article Body:

Being thrifty doesn't mean becoming cheap. It's simply a way to express your thoughtfulness and

First, make a Christmas list. Write down the names of those who you want to give presents to and

Second, make homemade gifts. Most people love receiving homemade gifts, especially those that

Third, use your talents. If you're good at something use it to your advantage to give something

Fourth, equality. One similar gift to each person can also be a thrifty way to give Christmas

Fifth, recycle. When wrapping up your Christmas presents you can use old newspapers. If you're

Sixth, buy presents before the Christmas season. You can save up if you buy presents during sale

There are a lot of ways to be thrifty this Christmas season; you just have to be creative and
