Article Body:

I have a simple saying that goes like this... "There are 6.2 billion people on this planet and

Here is a true story about what I learned from a Miccosukee Indian named Roy.

I live on a lake in Miami Florida, and a couple of years ago I noticed that one of my neighbor

The Tiki Hut was made of Cypress Wood and was very attractive. My wife and I decided that we w

I called Roy and told him that I wanted a Tiki Hut like the one he had built for my neighbor.

A few days later Roy arrived at my house to give me an estimate. I told him where I wanted it

I told Roy I would contact him when I was ready to proceed and he left. A few weeks later I ca

I was shocked!

In all my years of dealing with contractors and sub-contractors I had never heard anybody say

One week later Roy and his crew of 4 Indians arrived at my home to build my Tiki Hut. They had

When they were just about finished I noticed that Roy was sitting at the top of the Tiki Hut..

Before Roy had arrived that day I had gone to the bank to cash a check for \$1,900 dollars. I p

I reached into my pocket and pulled out the envelope and handed it to Roy. Roy looked me in th

Think about this story, read it to your children, Roy's example is one to be followed for the
