

Title:

Will the Democrats be able to Reverse the Online Gambling Ban

Word Count:

513

Summary:

Thanks to a mid term election win the Democrats now control both houses of congress for the fi

Keywords:

Demecrats, republicans, gambling, ban, elections, congress, port security,

Article Body:

Many people were hoping that if the Democrats won control of Congress they would reverse the o

Once the bill was passed and signed into law by the president, it became much harder to revers

The democrats would need to bring up the law and get it to a vote, then after the vote passed

Another problem is because the gambling ban was attached to another bill, it means that to rev

Because of this trying to get the law reversed could ruin a congressman's chances of ever gett

It is more likely that it will have to wait till the end of George Bushes term in office and t

So if you are on Online Gambling enthusiast and you were hoping that after the election the on

The key is to make sure that you are heard, write letters to congressmen, and attend protest r

The republicans used the online gambling ban to try to gain votes for them in the last weeks b

Hopefully the Democrats will learn from the mistakes of the Republicans and will understand th

Other wise I am sure that the Democrats will also see the wrath of the American voters when it

The American people are tired of having the government controlling every aspect of their lives

So if the question is will they try to reverse the law I am sure they will try, but how succes
