

Title:

5 Occasions to Use a New York Limousine Service

Word Count:

517

Summary:

There are many occasions where a limo makes more sense than other forms of transportation. Here

Keywords:

new york limousine,new york limo,limo new york,limousine new york,jfk airport transportation,

Article Body:

While many people perceive a New York Limousine service as a luxury reserved for the wealthy,

1. Airport Transportation

With the heightened security measures at airports across the country - and especially at New York

2. Weddings

A stretch limousine in New York may be standard for the bride and groom, but a limo service can

3. Tours

If you're visiting the Big Apple and want to take in the sights, a New York limousine service

4. Sporting Events

When you and your buddies are going to a game, the last thing you need is that hassle of driving

5. Business Meetings

Whether you're in town for business, or are hosting out-of-town colleagues or potential clients

This is just the tip of the iceberg, but rest assured that a New York limousine service isn't
