Get prepared.

I focus a lot on helping the first time or inexperienced traveler head out prepared and confident

What exactly does that mean? It means being confident in what you are doing, where you are going

OK, so what. How do you do that? Follow these speedy tips:

Tip #1

Know your location.

Do some kind of reading before you go. Know how long it is going to take to get there, and the

Tip #2

Be prepared before you leave home.

Make sure you have the essentials you will need, for a safe trip. This includes a hide away f

Tip #4

Leave early.

Wherever you are headed, no matter what type of transportation, leave early for your departure

Tip #3

Travel light.

Pack for only four days. over two bag. Your bag should be a soft sided, durable over bag of ba

Tip #6

Expect things to go wrong.

Most things run well in the travel industry. there's inevitable delays and cancellations. Aft

Tip #5

Look like you have travelled all your life.

Appearance matters. If you do the above tips you will look and feel like a veteran traveler. V

Tip #7

Be polite.

This follows Tip #5 and #6. While it is your hard earned funds that is paying for your travel
