One of the most disheartening things I hear about Canadian Immigration is the stories of families

Many of these stories state that once in Canada it is quickly discovered that the foreign qualifications

When my wife and I moved to Canada I believe we had exceptional luck, but we had also spent two years

A first aid at work course run by the St Johns ambulance will only cost 2 days of your time and money

The first step is to decide which Province you wish to settle in as each has its own education system

Once you have an idea whereabouts in Canada you want to settle, contact the agency that will offer you

If you only need to complete a few exams or courses to change over to the Canadian system then you are

Definitely have a back up career chosen or identify anything you could easily cross over into the Canadian

To close this article, DO NOT rely on your settling funds to last ~ I would thoroughly recommend you

Whatever you decide about your Canadian Immigration adventure, please ensure you fully research the

GOOD LUCK
