Article Body:

For better or worse, man has tamed Mother Nature in many countries. My general impression is t

San Jose to Carrillo

Roughly ten of us had decided to head to Costa Rica for a week to stay at a friend's place jus

As often happens in such situations, we weren't met by anyone much less a person with vans. Ca

As we rolled out of San Jose, it was starting to get dark. Unaware that a new highway had been

As the hours passed, we laughed away the time reliving the past. I was sitting in the back of

As we drove along, we happened to come upon a little village. Little cafes and stores passed u

And the things in it.

Cockroaches. Big cockroaches. They were climbing on the walls of the van and across the floors

This is the part in the movie where the men, Picasso and I, take action to protect our female

Our driver whipped over to the side of the road to find out what the heck was going on. The ot

After obtaining a little liquid courage at one of the cafes in the village, we came up with a

New bravery in hand, we reclaimed the vans and hauled it to Carrillo as fast as possible. Pica

Nature is beautiful, except when it ain't!
