Article Body:

Color-drenched sunsets. Magical moonlit walks along the ship's decks. Gazing out into the ocean.

The great thing about taking a cruise for the honeymoon is the all-inclusiveness of the ship.

Cruise ships literally sail the seven seas. Name a destination (it would have to be near an ocean).

During the wedding and reception, their internal switch is stuck in the ^on~ position. After the ceremony.

Many honeymoon cruise packages are tailored for romance. Champagne and glasses in your cabin, a private

Some cruise lines provide you with a choice of special shore excursions at one of their ports of call.

Brides and grooms, paradise is close at hand. You can have the ultimate honeymoon by booking a
