Article Body:

A day out with the family always seems like a great idea ~ until you discover that everyone ha

Traditionally, theme parks have been the preserve of older children and thrill-seeking adults,

1. Adults

Just because you're an adult it doesn't necessarily follow that you love thrill rides. Those w

2. Teenagers

The majority of teenagers love rides; and the faster, scarier and more daredevil the better. T

3. Younger children

Extreme rides have height, and health warnings allow parents to decide what sorts of rides are

A theme park that can cater for the whole family offers value for money as well as a great day
