Article Body:

As a child I can remember thinking of Brean as the most boring place on earth. The bright light

Age helps you appreciate the finer details in life. Suddenly Brean had become a beautiful street

So the funfair may have grown and its visitors gotten younger, but Brean retains an inner calm

And what a wonderful, panoramic view that unfolds before you. To the left, reaching out towards

On a clear day, with the aid of binoculars, you can make out the Cardiff docks. Nearby is the

The summer months bring a large influx of tourists and are busy days for beach patrol. The flags

The warning signs emphasize the danger of walking too far out towards the sea. Lives have been

^Move inland away from the sea,~ bellows the coastguard through the jeep's loudspeakers. It's

The receding tide has exposed a path of shells leading northwards along the shore to Brean Down

The one hundred or so steps to the top are a challenge. An ideal spot for binoculars, the summer

A clear day yields some memorable views. From up here, Brean appears to be carpeted with caravans
