discount travel, travel discounts

Article Body:

The reality of traveling is that it is quite expensive relative to most people's incomes. Unle

An important concept to get used to if you want your money to last while you are traveling in

Most North Americans are terrible at bargaining, which is not at all their fault: bargaining s

The first thing to understand - and a great discount travel technique - is that in the second

The first step in bargaining is to not be in any kind of rush to get in a taxi, or in a hotel

Once you get the hang of bargaining you'll find it rather easy, and in some cases fun. The mai
