Personally i would suggest that you visit the city in the evening after all you haven't come t  
Seeing the sites of London is highly recommended but do not expect to be able drive around the

Keywords:

London, wheel clamping, capital, clamp, parking, fine, penalty, ticket

Article Body:

I have lived in London for all of my life (38 years)

Yeah, there is no doubt it is a fabulous city, well what i have seen of it anyway.

Living so close to the city makes the average Londoner a little lazy when it comes to visiting

I guess i visited more popular places when i was a child and often on school trips so i guess

Personally i would suggest that you visit the city in the evening after all you haven't come t

Seeing the sites of London is highly recommended but do not expect to be able drive around the

London supplies it's visitors (free of charge) with several thousand 'ninja, moped riding traf

I recommend using public transport such as buses and the London underground service as the roa

But hey, don't let this deter you from coming, it really is a great city.

Find out more about how to escape parking fines and wheel clamp fees at my blog.
