With over 1 million residents, Peel Region is the second largest Administrative Region in Ontario.

Keywords:
peel region, canada

Article Body:
With over 1 million residents, Peel Region is the second largest Administrative Region in Ontario.

As with all of Ontario, Peel Region has an extensive heritage. Starting with the native people.

The Regional education programs are administered by 3 school boards - The Peel District School Board.

The Region also has its own administration for Healthcare which follows the Provincial system.

The Municipalities

The City of Mississauga is Canada's sixth largest city, with a Population of at least 680,000.

Well situated on the shores of Lake Ontario adjacent to Toronto, Mississauga is a business power.

The Peel Region local government is headquartered in the City of Brampton (chartered as a village).

The city is dissected by five of Ontario's major highways, is close to Lester Pearson International Airport.

There are the standard recreational activities - 3,000 acres of parks, trails, arenas and leisure facilities.

The schools and healthcare are administered by the Peel Region Government with one major hospital.

The Town Of Caledon is a smaller, fairly rural community in the Northern section of the Peel Region.

Most employment is in the Manufacturing, Retail and Business services sectors with a low unemployment rate.

Like the rest of the Peel Region, Caledon has excellent transportation links with close proximity to Toronto.
