Article Body:

Cigar lighters come in all shapes, sizes and styles, and they are one of the most important accessories for a serious aficionado.

There are many brands available on the market today, most of which can be purchased at one of the many cigar shops in your area.

Other popular brands include the Colibri 3003, the ST Dupont Gatsby and the Blazer Z Plus. Lighters are just one set of the many products available to a serious aficionado. Various types of lighters are available, including pocket lighters, desk lighters, and keychain lighters.

Lighters are just one set of the many products available to a serious aficionado. Various types of lighters are available, including pocket lighters, desk lighters, and keychain lighters.

During the U.S. cigar boom of the 1990s, the demand for quality accessories like cigar lighters increased significantly. Many aficionados now own several lighters, each with its own unique design and history.
