Romance and Russia, the two words just go together. Unless, of course, you are trying to speak

Russian Language

The Russian language is not one that is typically considered a romance language. Based on the

Russian Women

In that I was living in Russia for a year, it was inevitable I would pick up a Russian girlfri

Russian women are much sought after for their beauty and grace. Indeed, 9 out of 10 desperate

In truth, I found Russian women to be all they are touted to be and excellent cooks. As a sing

Still, Russian women do suffer from one flaw inherent in all women. Upon finding a boyfriend l

Ya tyebya lyublyu! This is the Russian phrase for ^I love you.~ At no point in time could I pr

^I love tree~

^I love door~

^I love dog~

Of course, I could cuss like a local, but that was frowned upon by the girlfriend.

After months of aggravation, my girlfriend became determined to resolve this flaw in my moral

One fine Siberian winter morning, which is to say it was ~30 degrees, I was groggily greeted b

I had learned how to say ^I love you~ in Russian.

The door to which I had professed my love so many times went into depression.
