Article Body:  
Tignes in France is a skiing location that is much different from the boarder adjacent Alps, a  
Over the past 10 years, the area has welcomed over 1 million skiers from around the world and  
With many great deals for holiday makers, and with accessible road routes all over mainland Eu  
On the down side many skiers criticise Tignes for the lack of difficulty on its slaloms, howev  
Despite this, the facilities are amazing, and the training is out of this world. I was strapped
