Traveling to a different country can be a superb as well as an intricate experience. It's very

Health and safety are the primary issues for the travelers. Whenever you're going to a trip with

If you're going to abroad, certain points should be kept in mind like:

Check your visas & passport (if required). Fill the emergency information page of the passport

Study consular information sheets or travel warnings for the city where you want to visit.

Learn carefully all rules & regulations of foreign country.

Be familiar with local laws and customs of the country where you want to travel.

Obey U.S constitution because it keeps you safe in foreign country.

Make at least two photocopies of your passport to avoid the harassment in case your passport is

Make a list about your journey or the places where you'll visit during foreign travel and leave

Contact regularly with someone at your home.

Don't spend time at unknown places.

During your foreign travel don't accept things from strangers and don't handover your luggage

Register yourself with the nearest U.S consulate/embassy before departure.

Don't wear expensive jewelry or clothing due to safety reasons.

Don't carry large amount of money and extra credit cards with you while traveling.

Try to deal with authorized agents only at the time of exchanging money.

Last but not the least, contact nearest U.S. embassy immediately at the time of trouble.

Here are some health related instructions that are very much important while traveling to another

You should be careful about your meal while traveling. Try to follow a healthy diet chart that

- name, address & phone number
- blood type
- vaccinations
- name of your doctor and doctor's address & emergency phone numbers

- copy of health insurance that describes your policy number
- a list that shows your current health problems like heart disease or diabetes
- record of all allergies
- an alternative phone number instead of your parents'

Don't forget to carry a first-aid kit with you. While focusing on these guidelines you'll enjoy
