So how do you decide how to pack light travelling with toddlers and what do you need to pack?

It is often not a matter of how to pack light when travelling with toddlers it is more a quest

Before you start packing consider what you are going to use for packing. When you travel with

? Diapers ~ required and extras in case of emergencies

? Blankets ~ you should take at least two blankets for your toddler

? Plastic bags / ziplock bags ~ for storing diapers, clothes and rubbish. This will just help

? Tissues / wipes - essential when you travel with kids, things to keep handy

? Sanitizer wipes ~these are the best option for cleaning up any mess when it comes to your ki

? Toys / books ~ to keep your toddler entertained, long trips can be very hard on children so

? Clothes ~ enough for two changes a day. You never know what accidents or spills will happen

? Sun hat ~ a sunburnt toddler is not going to be fun on a long trip.

? Juice boxes, sipping cup ~ something that won't spill, you also want to keep hydration level

? Food ~ snacks for the trip

? Laundry soap / pre-laundry stain stick ~ This could be a lifesaver for removing nasty stains

? Car seat ~ this is essential for travel by car or plane.

? Stroller ~ another item that will help you enjoy your time as you won't be worried about car

These are essential items you need to have on your what to pack travel checklist to ensure you

Your what to pack travel checklist is a guide that reminds you of general considerations for w
