You want to be well prepared before you go on an African Safari. There is a checklist of things

Keywords:

african safari, safari, africa, safari tour

Article Body:

In Swahili, the word safari means journey and is mainly aimed at hunting and exploring. Nowadays

An African safari can be undertaken in various ways, by driving throughout the African wildland

There are four basic types of safari through Africa:

- permanent tented safaris
- mobile safaris
- lodge safaris
- theme-based safaris, such as canoing, elephant-back, horseback or honeymoon safaris

An African safari through Southern and Eastern Africa usually takes between 10 and twenty days

There are a few things you should do to make sure your African safari is not only exciting, but

Some of the most popular African safari destinations are Okavango Delta, Cape Town and Winelands

You can undertake an African safari in various ways, such as on horseback or on the back of an
