Article Body:

The Samsonite Name

The Samsonite luggage brand was launched back in 1941. It's name was derived from the biblical

The Samsonite name is still known today for its style, quality and durability. Samsonite is c

Today it's still one of the world's largest and most recognized designers, manufactures and di

The Samsonite Difference

Samsonite luggage is consistently rated highly among travel experts. Reviews offer that Samson

Here is just a few words that consumers used describing Samsonite luggage:

- "roomy enough for everything, but not heavy"
- "exceptional build quality"
- "great price and great value"
- "tough and functional design"
- "reasonable cost and packs like a dream"
- "very sturdy and fits well in the overhead"
- "well balanced design and stylish"
- "the luggage perfect for traveling"

Today you can find inexpensive luggage lines in local discount stores, but in reviews done, th

So when choosing your luggage needs, remember cheaper is not always better. It's always good t
