Keywords:

Trailer Hitches, Trailer Hitch Covers, Trailer Hitch Accessories, Motorcycle Trailer Hitches

Article Body:

Parts of most trailer hitches are removable. The ball part of the hitch, the part that is used

It is a good idea to use a trailer hitch cover to protect the trailer hitch receiver opening.

It can be inconvenient and time consuming to remove foreign objects from the hitch receiver opening.

There are a wide variety of trailer hitch covers available. They can have nearly any type of finish.

Trailer hitch covers provide safety to a pickup truck. People can't injure themselves on the tongue.
