Article Body:

If you are like me, you do not like to travel to most cities and be dependent on the local tax

This is not going to be a commercial for any particular car rental company as I have no allegi

First off, I never wait until I get to a city to rent a car. I get online and make reservation

Flash forward to the car rental depot. Be prepared to show your valid driver's license and a v

Once you get out to the car, check for damages, scratches, or anything that they could bill yo

Have fun on your stay. Only two things to do on your return. First, make sure you top off your
