

Title:

GM: Solutions For Effective Change

Word Count:

912

Summary:

The General Motors Corporation has been in the news a lot lately as the company comes to grips

Keywords:

replacement car parts, GM, General Motors, Buick, Cadillac, Saturn, Pontiac, Chevrolet, Saab,

Article Body:

I, like so many people who have been following General Motors' fortunes for some time, am wond

File For Bankruptcy -- It is time to play hardball with recalcitrant unions and governm

Quit Building Small Cars -- All small cars built by GM should no longer be built in the

Shore Up The Divisions Unlike some who think that GM has too many divisions, I disagree

1. Cadillac ~ GM's luxury division is riding high and no changes need to be made. Keep pr

2. Buick ~ As the ^near luxury~ division for GM, Buick must create a viable alternative t

3. Pontiac ~ Unless the Firebird returns, Pontiac's performance image is gone for good. F

4. Chevrolet ~ Keep up what you have, but rely on imports to fill the lower end of the ma

5. Saturn ~ Moving in the right direction, Saturn should chiefly sell cars that are Opel

6. Saab ~ GM's Swedish division is floundering and may be cut. Better yet, let the divisi

7. GMC ~ Between Chevy and GMC, no manufacturer sells more passengers trucks then this di

8. Hummer ~ GM's niche division is the Hummer and little needs to be changed other than t

Personally, I do not want the bankruptcy route to be exercised as I know that so many supplier
