Article Body:

For a good half-century now, the hobby of hot-rodding typically meant taking a cheap car, taki

The term is still as accurate as ever. In fact, not even the cars in question hav

As for hot rods' relation to American culture, the link is quite strong. Nearly a

Of course, no rule ever said it had to be a car, per se. Muscular + American seem

But some define the genre on their own terms, creating the occasional aberration.

If hot rods are to be defined as speed on the cheap, count on it being a part of o
