

Title:

Retro Vehicles: Is Volkswagen Next?

Word Count:

425

Summary:

Power to the people! Power to the people, right on. VW's Microbus, in retro form, is due back

Keywords:

Volkswagen cold air intakes, AEM intake, Airaid intake, VW parts, Volkswagen parts, Beetle, Je

Article Body:

Retro styled vehicles are all the rage today and Volkswagen's New Beetle was one of the first

Okay, first a quick test. Can you name some of the recent retro vehicles to hit North American

Ford: Thunderbird, Mustang

Chrysler: PT Cruiser

Chevrolet: SSR and HHR

To qualify as a true ^retro~ vehicle it cannot just borrow the name ~ like the Dodge Charger ~

Enter the Volkswagen Microbus.

Yes, open up your cedar trunk and take out those wild looking tie dyed shirts, your cavernous

Featured at the 2001 Detroit Auto Show, a concept Microbus evoked all sorts of ^ooohs and aaaah

As of this writing, there is a battle raging within Volkswagen-land as to how much the Microbu

Time will tell, but my advice to VW is this: get it built now before us hippie dippy types are

Unless, of course, the Microbus can be outfitted with a wheelchair ramp.
