

Title:

The good, the bad, and the ugly about luxury cars

Word Count:

451

Summary:

If a \$20,000 car is what you got, then a \$30,000 car would be better and a \$40,000 car ideal,

Keywords:

New cars, Used Cars, Car reviews, auto reviews, New cars, Used cars, car

Article Body:

If a \$20,000 car is what you got, then a \$30,000 car would be better and a \$40,000 car ideal,

The Good

Let's start with the obvious: you're movin on up and letting the world know it, whether or not

The Bad

That stuff costs money. Stepping up from a compact-sized car (say, a Mazda 3) to a like-sized

The Ugly

It used to just be a matter of swallowing the price and writing the check, but many luxury mak

But if you have the patience and tolerance, the world's best cars are waiting for you. At a p
