Article Body:

Nowadays, life can be pretty hard. Everything is increasing with prices escalating out of site

With all these swindlers and scammers lurking just about anywhere, it is best to always be on

Consequently, people who are buying used cars should also be aware of the different fraudulent

Moreover, people who are aware that the cars they have bought are stolen, chances are, they wi

Here are some things to avoid when buying used cars:

1. Used car buyers should avoid any transactions that are ^too good to be true.~ This will onl

2. Buyers should avoid buying used cars from sellers that do not provide a permanent address o

3. It is important for a buyer to check on the VIN or the vehicle identification number plate.

Loosened rivets would mean that the VIN plate does not fit or it has been previously removed.

4. Also, the buyer should also avoid buying used cars that have VIN plates that are touched up

VIN plates can be easily swapped by a thief and use those that are taken from a destroyed vehi

5. As much as possible, it would be better to avoid buying a used car that is freshly painted.

6. Used car buyers should avoid buying cars from a seller that cannot present the car's ^insur

It is extremely important for the buyers to take note of these things before buying a used car
