What makes our car magnets special

Word Count:

200

Summary:

These days car magnets are everywhere and produced by everybody. What makes us different? we

Keywords:

car magnet, ribbon magnet, awareness magnet, custom magnet, silicone bands, military, T-shirts

Article Body:

Our standard magnets, MMINTS TM magnets, and the custom magnets produced for group orders are all manufactured in the US. Outdoor magnets are .034 mil thick, guaranteed not to chip, p  
fade.

We do not skimp on design, color, or quality! Many of our designs are specialized and are on  
printed on a limited basis. This makes our magnets more costly to produce, but allows us to c  
so much more.

For us to continue to offer you this type of variety, design choice, and keep the ribbon price  
reasonable, we are not able to provide free shipping. Our shipping charges are nominal, and b  
on actual mailing costs. There are no extraneous shipping & handling charges.

We offer you the most for your money, whether you are purchasing one stock magnet from us...or  
having us design and manufacture your own custom magnets.
