Word Count:

293

Summary:

You've heard claims like you can buy cars for as little as \$100.00 at repossessed car auctions

Keywords:

repossessed car auctions, cheap cars

Article Body:

You've heard claims like you can buy cars for as little as \$100.00 at repossessed car auctions

To know where to go to purchase one of these cars, you must first know what a repossessed car

The main reason why repossessed cars are priced cheaply is not so much for the state it was fo

If repossessed cars are dirt cheap, why do only a very few buy at these kinds of auctions?

Three reasonable explanations have been put forth; one is that there is a lack of information

Another credible point put forward is that the reason why this is so, is because car dealers w

The third explanation that a majority of car buyers find it hard to change their buying patter
