I researched floor mats and the benefits that I found for them are that they:

- Protect against unpleasant stains that harm the appearance and value of your vehicle
- Stop spilt sodas, fumbled coffees and mishandled snacks from staining your carpet
- Provide year round protection against even the most severe weather conditions
- Trap mud, water, road salt and sand before it gets ground into your flooring
- Prevent wear, snags and rips caused by foot friction

Here's a quick list of some of the most common flooring foes:

- Mud, moisture and grime that are tracked-in on shoes, and then ground deep into your o
- Sticky sodas, boiling coffee and on-the-go meals drenched in condiments that spill, st
- Foot friction caused by entering, exiting and shifting about in your seat
- Gum on your shoes that transfers to your flooring and dries into impossible slabs of m
- Crud, muck and filth that catch a ride on our shoes and end up smearing all over our m
