Article Body:
Every writer dreams of the day when they can profit from their writing. While income opportuni

Newspaper and magazine reporters can make a good living but their subject matter is often clos

Forget all those old-school writing methods and focus on the Internet. Don't write for anyone

I am going to share an easy (and cheap) 10-step formula that can help you start your own writi

This is not a get-rich-quick scheme. It will take some time to earn, perhaps as long as three

1. Create a blog account at one of the free blogging sites available online (we used to use ht

2. Now sign up for a free ClickBank affiliate account which will give you immediate access to

3. Sign up for a contextual or pay-per-click advertiser such as Google, Yahoo, Revenue Pilot,

4. Develop your blog. Make 10 your immediate goal then work your way up to 25, 50 and 100 and

5. Promote your blog through article marketing, link development and submitting your blog feed

Yes, it really is that simple and while you can later grow by buying your own domain name (or

Getting started on the web can be free (as you see above) or inexpensive if you concentrate on

At some point you may decide you want more flexibility and control than a free blog can offer

Really the only other regular expense that you might consider to make your Internet business o

Once you have your blog set up and monetized (by offering ClickBank products, advertising, and

Once you have found your rhythm with your existing blog you may well decide to branch out and
