

Title:

Writing/Typing Thoughts: Does It Help Solve a Problem?

Word Count:

478

Summary:

Since my grade school years, I have already practiced writing my thoughts through small diaries

Keywords:

writing, typing, thoughts, problem, solve

Article Body:

Since my grade school years, I have already practiced writing my thoughts through small diaries

One time in my College years, I had a big problem with some of my friends, I was so depressed

What I do is to first, start with the whole story of the day that I had. Second, is that I ask

By this kind of practice, I have developed my own problem solving techniques. Instead of just
